

# Business Plans for Setting up

## Enterprise-

# Investment Opportunities & Business Ideas

## Introduction

**Self-Employed:** A situation in which an individual works for himself or herself instead of working for an employer that pays a salary or a wage. A self-employed individual earns their income through conducting profitable operations from a trade or business that they operate directly

Creating a successful business takes tenacity and hard work, but the benefits of self-employment make the effort worthwhile for many enterprising individuals.

## Advantages of Self-Employment

There are many potential benefits of being self-employed, such as:

**Independence** - Having the freedom to set your own hours and fit your work around other commitments often leads to an improved quality of life.

**Job satisfaction** - Reaping the rewards of your hard work can be very satisfying, while you also have the autonomy to do the things you love most.

**Location** - Working from home, if applicable, means that you don't have to worry about office politics, company hierarchies or an expensive and stressful daily commute.

**Salary** - Your earning potential is much higher when self-employed - everything is in your hands and, financially, the sky's the limit.

## Here are Few Projects for Self-Employment:

### ❖ Calcium Carbonate (Activated & Precipitated)

**Sizing Precipitated Calcium Carbonate (PCC)—also known as purified, refined or synthetic calcium carbonate. It has the same chemical formula as other types of calcium carbonate, such as limestone, marble and chalk:  $\text{CaCO}_3$ . The calcium, carbon and oxygen atoms can arrange themselves in three different ways, to form three different calcium carbonate minerals.....[Read more](#)**

## ❖ Cement Plant

**Cement is a material with adhesive and cohesive properties which make it capable of bonding minerals fragments into a compact whole. It can be defined as any substance, which can join unite two or more pieces of some other substance together to form a unit mass.....[Read more](#)**

## ❖ **Pharmaceutical Unit (Tablet and Capsules)**

**The Indian pharmaceutical sector has come a long way, being almost non-existent before 1970 to a prominent provider of healthcare products, meeting almost 95 per cent of the country's pharmaceuticals needs. The Industry today is in the front rank of India's science-based industries with wide Ranging Capabilities in the complex field of drug manufacture and technology.....[Read more](#)**

## ➤ **Leather Bags and Wallets**

**Leather is considered as a symbol of fashion, uniqueness, trend and styles. The demand for quality leather products as well as accessories never ceases among the consumers. Individuals that are style sensitive and elegant always want to enhance their overall appearance by preferring quality leather products.....[Read more](#)**

## ❖ Flavoured Raisins

**Raisin is prepared from the sound dried grapes of the varieties conforming to the characteristics of *Vitis vinifera* L. Processed in an appropriate manner into a form of marketable raisin with or without coating with suitable optional ingredients.....[Read more](#)**

## ❖ **Grey Oxide (used in Automotive & Tubular Battery)**

**Grey Oxide, The chemical name of Lead Suboxide is called as  $2\text{PbO}\cdot\text{Pb}$  and is available in grey colored powder. Lead Suboxide is also called as Battery oxide or Grey Oxide. Lead Sub-Oxide ( $2\text{PbO}\cdot\text{Pb}\cdot\text{H}_2\text{O}$ ), also known as Grey/Lead Oxide. Grey Oxide is used on an extensive scale for preparation of plates in Lead Acid Batteries which requires production to strict specifications.....[Read more](#)**

## ❖ **Thermocol Glass and Plates (Low Investment Project)**

**There are many kinds of plastics in the world, any plastics when react with the Blowing Agent will become "Foam" which generally called "Foam Plastics". Expanded Polystyrene can also be directly formed into glasses, cups, plates and bowls for use as disposable wares in parties.....[Read more](#)**

## ❖ **Bottling of Country Liquor (Automatic Plant)**

**Rectified spirit, methylated spirit, denatured spirit is the product of Ethyl alcohol or Ethanol. Ethyl alcohol has been described as one of the most exotic synthetic oxygen-containing organic chemicals because of its unique combination of properties as beverage, solvent, germicides an antifreeze, a fuel, a depressant and especially because of its versatility as a chemical intermediate for other organic chemicals.....[Read more](#)**

## ❖ Fire Fighting Foam

**Fire-fighting foam is a foam used for fire suppression. Its role is to cool the fire and to coat the fuel, preventing its contact with oxygen, resulting in suppression of the combustion. Fire-fighting foam was invented by the Russian engineer and chemist Aleksandr Loran in 1902.....[Read more](#)**

## ❖ **Bamboo Sticks**

**Bamboo is a tribe of flowering perennial evergreen plants in the grass family Poaceae, subfamily Bambusoideae, tribe Bambuseae; although, the forestry services and departments of many countries where bamboo is utilized as a building material consider bamboo to be a forestry product, and it is specifically harvested as a tree exclusively for the wood it produces, which in many ways is a wood superior in strength and resilience to other natural, fibrous building materials.....[Read more](#)**

## ❖ **White Phenyl**

**A disinfectant is basically an agent, which destroys pathogenic organism. A good disinfectant should also be a deodorant possessing good keeping qualities. And it would be effective against microorganism of widely varying types. Disinfectant is a general term used to describe a broad class of chemicals employed to destroy harmful bacteria, fungi and other microorganisms.....[Read more](#)**

## ❖ Handicraft (Cane & Bamboo)

**A handicraft, sometimes more precisely expressed as artisanal handicraft or handmade, is any of a wide variety of types of work where useful and decorative objects are made completely by hand or by using only simple tools. It is a traditional main sector of craft, and applies to a wide range of creative and design activities that are related to making things with one's hands and skill, including work with textiles, moldable and rigid materials, paper, plant fibers, etc.....[Read more](#)**

## ❖ Denim Cloth

**Denim is a sturdy cotton warp-faced twill textile in which the weft passes under two or more warp threads. This twill weaving produces the familiar diagonal ribbing of the denim that distinguishes it from cotton duck. It is a characteristic of most indigo denim that only the warp threads are dyed, whereas the weft threads remain plain white.....[Read more](#)**

## Major Queries/Questions Answered in Our Report?

- 1. How has the industry performed so far and how will it perform in the coming years?**
- 2. What is the Project Feasibility of the Plant?**
- 3. What are the requirements of Working Capital for setting up the plant?**
- 4. What is the structure of the industry and who are the key/major players?**

- 5. What is the total project cost for setting up the plant?**
- 6. What are the operating costs for setting up the plant?**
- 7. What are the machinery and equipment requirements for setting up the plant?**
- 8. Who are the Suppliers and Manufacturers of Plant & Machinery for setting up the plant?**
- 9. What are the requirements of raw material for setting up the plant?**

- 10. Who are the Suppliers and Manufacturers of Raw materials for setting up the plant?**
- 11. What is the Manufacturing Process of the plant?**
- 12. What is the total size of land required for setting up the plant?**
- 13. What will be the income and expenditures for the plant?**
- 14. What are the Projected Balance Sheets of the plant?**

- 15. What are the requirement of utilities and overheads for setting up the plant?**
- 16. What is the Built up Area Requirement and cost for setting up the plant?**
- 17. What are the Personnel (Manpower) Requirements for setting up the plant?**
- 18. What are Statistics of Import & Export for the Industry?**
- 19. What is the time required to break-even?**

- 20. What is the Break-Even Analysis of the plant?**
- 21. What are the Project financials of the plant?**
- 22. What are the Profitability Ratios of the plant?**
- 23. What is the Sensitivity Analysis-Price/Volume of the plant?**
- 24. What are the Projected Pay-Back Period and IRR of the plant?**
- 25. What is the Process Flow Sheet Diagram of the plant?**
- 26. What are the Market Opportunities for setting up the plant?**
- 27. What is the Market Study and Assessment for setting up the plant?**
- 28. What is the Plant Layout for setting up the plant?**

## Reasons for Buying Our Report:

- **The report helps you to identify a profitable project for investing or diversifying into by throwing light to crucial areas like industry size, market potential of the product and reasons for investing in the product**
- **The report provides vital information on the product like it's characteristics and segmentation**
- **The report helps you market and place the product correctly by identifying the target customer group of the product**

- **The report helps you understand the viability of the project by disclosing details like machinery required, project costs and snapshot of other project financials**
- **The report provides a glimpse of government regulations applicable on the industry**
- **The report provides forecasts of key parameters which helps to anticipate the industry performance and make sound business decisions**

## **Our Approach:**

- **Our research reports broadly cover Indian markets, present analysis, outlook and forecast for a period of five years.**
- **The market forecasts are developed on the basis of secondary research and are cross-validated through interactions with the industry players**
- **We use reliable sources of information and databases. And information from such sources is processed by us and included in the report**

## **Free Instant Online Project Identification and Selection Service**

**Our Team has simplified the process for you by providing a "Free Instant Online Project Identification & Selection" search facility to identify projects based on multiple search parameters related to project costs namely: Plant & Machinery Cost, Total Capital Investment, Cost of the project, Rate of Return% (ROR) and Break Even Point % (BEP). You can sort the projects on the basis of mentioned pointers and identify a suitable project matching your investment requisites.....[Read more](#)**

## **Download Complete List of Project Reports:**

### **▪ Detailed Project Reports**

**NPCS is manned by engineers, planners, specialists, financial experts, economic analysts and design specialists with extensive experience in the related industries.**

**Our Market Survey cum Detailed Techno Economic Feasibility Report provides an insight of market in India. The report assesses the market sizing and growth of the Industry. While expanding a current business or while venturing into new business, entrepreneurs are often faced with the dilemma of zeroing in on a suitable product/line.**

**And before diversifying/venturing into any product, they wish to study the following aspects of the identified product:**

- **Good Present/Future Demand**
- **Export-Import Market Potential**
- **Raw Material & Manpower Availability**
- **Project Costs and Payback Period**

**The detailed project report covers all aspect of business, from analyzing the market, confirming availability of various necessities such as Manufacturing Plant, Detailed Project Report, Profile, Business Plan, Industry Trends, Market Research, Survey, Manufacturing Process, Machinery, Raw Materials, Feasibility Study, Investment Opportunities, Cost and Revenue, Plant Economics, Production Schedule,**

**Working Capital Requirement, uses and applications, Plant Layout, Project Financials, Process Flow Sheet, Cost of Project, Projected Balance Sheets, Profitability Ratios, Break Even Analysis. The DPR (Detailed Project Report) is formulated by highly accomplished and experienced consultants and the market research and analysis are supported by a panel of experts and digitalized data bank.**

**We at NPCS, through our reliable expertise in the project consultancy and market research field, have demystified the situation by putting forward the emerging business opportunity in India along with its business prospects.....[Read more](#)**

# **Niir PROJECT CONSULTANCY SERVICES**

**An ISO 9001:2015 Company**

## Who are We?

- *One of the leading reliable names in industrial world for providing the most comprehensive technical consulting services*
- *We adopt a systematic approach to provide the strong fundamental support needed for the effective delivery of services to our Clients' in India & abroad*

## What do We Offer?

- *Project Identification*
- *Detailed Project Reports/Pre-feasibility Reports*
- *Business Plan*
- *Market Research Reports*
- *Technology Books and Directory*
- *Industry Trend*
- *Databases on CD-ROM*
- *Laboratory Testing Services*
- *Turnkey Project Consultancy/Solutions*
- *Entrepreneur India (An Industrial Monthly Journal)*

## How are We Different ?

- *We have two decades long experience in project consultancy and market research field*
- *We empower our customers with the prerequisite know-how to take sound business decisions*
- *We help catalyze business growth by providing distinctive and profound market analysis*
- *We serve a wide array of customers , from individual entrepreneurs to Corporations and Foreign Investors*
- *We use authentic & reliable sources to ensure business precision*

# Our Approach

**Requirement collection**

**Thorough analysis of the project**

**Economic feasibility study of the Project**

**Market potential survey/research**

**Report Compilation**
