# INTRODUCTION

Offline Business directories are the best thing in today's business world. If you are searching for Buyers, then our Business Directories/Database are the perfect tools for you. We provide Business Directories for high quality business leads. We continue to give you the high value and low cost B2B data. We offers an extensive suite of Directories/ database to assist you in reaching the right businesses and people quickly and easily.

**Business Directories are used for sales planning, finding Buyers and marketing research to perform business analysis.**

**With our company database/Directory, you will have access to company list. You will find a business list consisting of company contact details. We compiled list of companies in excel format to give you access to over hundred thousands of businesses and companies.**

From small business to Corporate Houses, our data is complete with business contact information to help you connect with the right companies or buyers.

By having the right business leads, our client's would be able to have immediate communication with prospective businesses, partners and customers through our boundless list of companies in csv excel format.

With our B2B data, you will find database of companies with websites, phone, fax, mailing address and other contact info.

# Our Database of Businesses includes the following fields:

Company Name

Phone

Address

City

State

Website

Fax

Zip

Country

Industry , Product & Services

[www.entrepreneurindia.co](http://www.entrepreneurindia.co)

Our Business Directories are useful for existing Businesses looking to expand, a potential inward investor looking to reach Business World, or simply to forge links with the competitive businesses already located in our database.
